

Early Head Start Home School Connection

Try These Activities at Home This Week

Spread a thick towel on the kitchen floor and let your toddler "paint" his toys with water. He'll be happily occupied and the toys will get clean at the same time!

Time Spent _____

Try this rhyme while you rock your child.

Good night sweet baby, goodnight sweet one. The clock is ticking and says, "We're done!" Goodnight sweet baby, goodnight my dear. The stars are twinkling and sleep is near.

Time Spent _____

Use books in real life! Choose your child's favorite book. While reading go around the house together and find objects like those in the book.

Time Spent _____

Save socks that have no match! These can be used for many different things. Ex: sock puppets, sand toys, making balls (roll one inside the other)

Time Spent _____

Outside on a nice day, use water colors to paint on paper towels. Make shapes or letters. Then let them dry in the sun!

Time Spent _____

Tip: After changing your babies diaper make sure to wash their hands too!

Always wash your hands because:

- It's good personal hygiene.
- It keeps germs from spreading
